### Murrow Charges McCarthy with 'Persecution'

**Offers Senator Chance to Reply On CBS Program**

NEW YORK (AP) — CBS television commentator Edward R. Murrow accused Sen. Joseph R. McCarthy Tuesday night of using his investigative powers for "persecution" and offered the senator a chance to reply on a later program.

Murrow, a member of the CBS board of directors, devoted his "See It Now" news program to a summary of the Wisconsin Republican's career since 1952. He charged that McCarthy's "primary achievement has been in confusing the public mind as between the internal and external threats of Communism."

A Columbia Broadcasting System spokesman said a wave of telephone calls and telegrams hit CBS headquarters after the broadcast. He said they were overwhelmingly in praise of the program.

**Denounces CBS and NBC**

In Washington, McCarthy's wife said the senator went to bed early Tuesday night and did not see the program. She refused to wake him up to talk to reporters.

The CBS official said the half-hour program had been in preparation for several weeks and had no connection with the attack by McCarthy Tuesday against CBS and the National Broadcasting Co.

McCarthy denounced CBS and NBC as "immoral" and "completely dishonest" for refusing to grant him free equal television time to answer what he described as a "personal attack" against him last Saturday night by Democrat Adlai Stevenson.

McCarthy flew to Washington Tuesday after telling reporters in New York he would hire lawyers to challenge the network's refusal in court or before the FCC.

**Call from Margaret Truman**

CBS headquarters in New York reported early today it had received 1,046 telegrams congratulating Murrow for his program and 13 protesting it as "unfair." The network also received 2,211 congratulatory telephone calls and 149 telephoned protests.

A CBS official said those telephoning congratulations included Margaret Truman, daughter of former President Harry S. Truman, and Sen. Mike Monroney (D-Okla.).

Murrow opened his program with an acknowledgment that it would be "controversial."

"If the senator believes we have done violence to his words or pictures and desires to speak, to answer for himself, an opportunity will be afforded him on this program," Murrow said.

**Demoralized State Department**

The program included film clips of McCarthy speaking and a sequence from a hearing by his permanent investigations subcommittee.

Murrow said McCarthy had "investigated and substantially demoralized the present State Department" and had made charges of espionage at Fort Monmouth, N. J., while the Army "has been unable to find anything related to espionage there."

The commentator scoffed at McCarthy's claim that the left wing press "criticized him for calling Brig. Gen. Ralph Zwicker, commanding officer at Camp Kilmer, N. J., a 'disgrace' to his uniform."

Murrow said editorial opinion on the incident was three-to-one against McCarthy in "the 50 large circulation newspapers in the country." He read excerpts from editorials in McCarthy-styled "left wing" papers that included the New York World-Telegram & Sun, Chicago Tribune, New York Times, St. Louis Post Dispatch, Milwaukee Journal, New York Herald Tribune and Washington Times Herald.

### Wife of McLeansboro High Faculty Member Dies

Mrs. Marian Moody, wife of Jack E. Moody, a member of the faculty at the McLeansboro high school, died Tuesday at 6 p. m. in the McLeansboro Memorial hospital.

The body now lies in state at the Jones funeral home in McLeansboro and no funeral plans have been made. Besides her husband she is survived by her mother, Mrs. Lola Brown.

### Children Figure In Local News

Little children figured in today's news in Harrisburg.

About 10:15 a. m. the sheriff's office received a call from the Webb service station at the Routes 45-34 intersection that a small lad with a butcher knife had come into the station and got a road map, that he was starting south on Route 34.

State Policeman Roy A. Lane and Deputy Sheriff Isham Threet hastened to the intersection and found the lad, who had returned to the station.

After the knife was taken from him he gave his name, said he was six years old and that he was going rabbit hunting.

He was returned to his home on South street.

Shortly before that City Policeman Tom Gram was looking for the parents of a three-year-old girl who was lost in Gaskins City. A radio report giving her description was put out, but Gram took her into Wren's grocery and got a clue that led to her people. She was visiting here from Michigan.

### Annual HTHS Music Revue March 19-20

The third annual music revue, under the direction of Marshall Cothran, will be presented by the music department of the Harrisburg Township high school March 19-20 at 8 p. m. in the Bonnell gymnasium. Frank Chase will be narrator.

The program will consist of dance numbers, musical solos, quartets and numbers by the HTHS dance band.

Girls taking part in dancing routines are Mary Taylor, Diane Reed, Judy Belt, Anne Funkhouser, Barbara Upchurch, Barbara Yates, Jean Abney, Shirley Karnes and Nigel Jenkins. A ballet number will be done by Betty Butler.

Some of the skits for the Revue are Fearless Fanny, Flicker Flashbacks, Expectin', and Pass the Udder Udder. The characters in Fearless Fanny are Fearless Fanny, Marjorie Zimmer, Handsome Herbert, Bill Horning, Beautiful Bertha, Marilyn Lucas, Two Indians, Chuck Ford and Richard Harold.

Characters for Expectin' are Dave Patterson, Frank Chase, Bill Horning and nurse, Betty Butler. The characters for Pass the Udder Udder are John Shepherd, Harry Boyd, Bill Horning and Ronnie Bean.

The dance band will use this year two different types of musical instruments, flute, played by Barbara Dunn and Norma McDonald, and the violin, Avah Phillips and Shirley Hull.

Other members of the band are Mary Anne Humm, piano; Jack Harper, bass; John Lee, Richard Fritts, Bill Bottomley, trumpet; Dick Norris, Tommy Davis, Charles Dabney, trombone; Herbert Parks, Jerry Bramlett, Donald Upchurch and Allen Burbank, saxophone.

Tickets are now on sale for 50 cents for students, \$1 for adults. Proceeds will be for the band and band uniform fund.

### C. L. Martin, 82, Dies at Eldorado

Charles L. Martin, 82, died at the Good Shepherd Nursing home, Eldorado, at 1 a. m. today. He was a retired carpenter and contractor and the family home was at 2008 Pine street, Eldorado.

He is survived by the widow, Ada Martin, and the following children: Mrs. Lola Lemons, Raleigh, N. C.; Mrs. Madge Reeder, Eldorado; Mrs. Opal Rogers, Eldorado; Mrs. Bonita Bixler, Owensboro, Ky.; Mrs. Margie Ingram, Eldorado; Leonard Martin, Evansville, Ind.; Lewis Martin, Lynchburg, Va.; Ben Martin, Detroit, and there are 15 grandchildren and eight great-grandchildren.

Funeral services will be held Friday at 2:30 p. m. at the First Baptist church, Eldorado, with Rev. O. C. Cooper, Rev. Charles Wesley and Elder T. Leo Dodd officiating. Burial will be at the Masonic cemetery, Raleigh.

The body will lie in state at the Eldorado Funeral home.

### Stolen Auto is Found Burned

An automobile belonging to Clarence Wright, stolen last night at Peabody 40 mine, was found later, burned, east of Benton on Route 34.

**MCCARTHY ARRIVES**—Sen. Joseph McCarthy, his wife, Jean, and her mother, Mrs. Elizabeth Kerr, right, arrive at the Waldorf-Astoria Hotel in New York from a vacation in Florida. On being informed that the Republican National Committee had chosen Vice President Nixon to answer Adlai Stevenson's speech, Sen. McCarthy threatened to "take legal action" if two networks do not give him equal time to answer Stevenson's "personal" attack on him. (NEA Telephoto)

### Senate Leaders Make Recommendations for Conduct of Investigations

WASHINGTON (AP)—Senate Republican leaders today handed committee chairmen seven recommendations to govern the conduct of investigating committees and subcommittees.

The proposals are aimed primarily at curbing the power of committee chairmen, particularly Chairman Joseph R. McCarthy (R-Wis.) of the Senate's Permanent Subcommittee on Investigations.

Some of the recommendations, however, are already part of the rules adopted by McCarthy's subcommittee.

The leadership recommendations

are: "1. An investigating subcommittee of any committee may be authorized only by the action of a majority of the committee."

"2. No investigating committee or subcommittee is authorized to hold a hearing to hear subpoenaed witnesses or take sworn testimony unless a majority of the members of the committee or subcommittee are present. Provided, however, that the committee may authorize the presence of a majority and a minority member to constitute a quorum."

"3. An investigating committee or subcommittee may not delegate its authority to issue subpoenas except by a vote of the committee or subcommittee."

"4. No hearing shall be initiated unless the investigating committee or subcommittee has specifically authorized such hearing."

"5. No hearing of an investigating committee or subcommittee shall be scheduled outside of the District of Columbia except by the committee or subcommittee."

### Malan Outlines Red Cross Work At Kiwanis Club

W. R. Malan, blood program chairman of the American Red Cross, gave a report on Red Cross activities to members of the Kiwanis club last night at the Masonic temple. At the same time he made a plea for the civic club's support in the current Red Cross finance drive.

Mr. Malan reviewed the work of the Red Cross in Saline county during the 1937 flood when thousands of dollars were given to people in the county for direct aid and rehabilitation following the flood.

Work of the Red Cross, he stated, is mostly done by volunteer workers and the administrative costs of the organization are held to a minimum to provide more money for direct aid.

The number one service of the Red Cross, he said, is to the armed services. Another important service is in times of disaster when help is given to those in distress. In such instances the policy is to give what is needed and not what is lost. The Red Cross is no insurance program, Mr. Malan stated.

Another important program is the blood program and Mr. Malan stressed the importance of Saline county meeting its blood donor quota during the next two visits of the Bloodmobile or it will lose its participation in the blood bank. Blood can only come from those willing to give it, he said, and added that the body can build the donated blood back quickly, without any danger to the person giving it.

The chapter pays the expenses of the bloodmobile. Mr. Malan said, and this is another added expense which has been met through extra donations from interested persons.

The county did not meet its financial quota last year which was a little over \$10,000. This year the quota is \$9,670 and the county should go all out to meet it, Mr. Malan said.

Other services the Red Cross renders include the nursing services, classes in home nursing and recruitment of nurses; first aid classes and training of instructors; water safety and the Junior Red Cross program.

John Schork, president of the club, added his plea for the club to support the blood program at the visit of the Bloodmobile which will be in Carrier Mills March 16 and at the Harrisburg Elks club on the 17th.

Charles D. Taylor was a guest of J. E. Rose at last night's meeting.

### Labor Leader Charged with \$6,379 Evasion

**Revenue Service Files \$209,121 Liens In Southern Illinois**

EAST ST. LOUIS (AP) — Evan Dale, czar of the AFL Laborers Union in Southern Illinois, surrendered and was arraigned today on a federal indictment charging him with evasion of \$6,379 taxes in 1947.

The indictment was returned late Tuesday by a grand jury which has been investigating charges of labor racketeering in the Eastern District of Illinois for the past two months. It was suppressed until Dale was arraigned.

Immediately after Dale surrendered to U. S. Marshal William Elliott, the Internal Revenue Service filed liens in all Southern Illinois counties for taxes it claimed as due from 1947 through 1952. The amount totaled \$209,121.

The indictment was returned against Dale only six days before the statute of limitations would have outlawed criminal action for evasion of taxes in 1947.

**Regular Procedure Bypassed**

The indictment was the first to be returned by the grand jury which has questioned more than 125 witnesses in its inquiry. Tax agents said regular procedure in getting authorization to prosecute for evasion was by-passed in Dale's case and the evidence against him was presented directly to the grand jury shortly before the indictment was voted.

Dale is president of the Southern Illinois District Council of the International Hodcarriers, Building and Common Laborers' Union.

He was accused of reporting an income of \$7,565 in 1947 on which he paid taxes of \$214.15. The government claimed his income actually was \$25,835 and he should have paid \$6,593.45 in taxes.

Dale was also reported to have been a partner in the Embassy Club, a gambling casino at Cairo, Ill. In 1952 the Treasury Department filed excise tax claims against the club, naming him as a partner.

### J. C. Coyle, 80, Dies at Equality

James C. Coyle, 80, died at his home in Equality Tuesday night. The body is now in care of the A. K. Moore funeral home and will be taken to the family residence this afternoon.

He is survived by his wife, Ida; a son, Loren in Carlinville, and two daughters, Mrs. Mac Sisk, Shawneetown, and Mrs. T. R. Brewner, Equality.

Tentative funeral plans are for Friday at 9 a. m. at St. Joseph's Catholic church in Equality. Burial will be in the church cemetery.

### Charles E. Miller, 74, Custodian of Dixon Springs State Park, Dies

Charles E. Miller, 74, custodian of Dixon Springs State Park, west of Golconda, died at his home in the park area Tuesday at 2:30 p. m.

He is survived by two sons and four daughters.

The body is now at the Buchanan funeral home in Golconda where it will remain until funeral time which will be Thursday at 11 a. m. at the Dixon Springs Baptist church. From there the body will be taken to Lick Creek church in Union County where a short service will be held. Burial will be in the church cemetery with Masonic rites.

### Install Student Council in Ceremony Tuesday Afternoon at Junior High School

Members of the Junior high school Student Council for the second semester of the school year were installed at ceremonies at the school Tuesday afternoon.

The ceremony included assembly singing, processional, singing of the "Star Spangled Banner" and pledge of allegiance to the flag, led by Karen Skaggs, Girl Scout and Mike Woolcott, Boy Scout.

Curtis Small, editor of The Daily Register and president of the City school board, gave the principal address, speaking on the duties of students and adults in civic service. He was introduced by Stobert Abney, teacher.

The processional and recessional were played by Mrs. Lois Locke. Council members installed were: Kenneth Mitchell and Patsy Schwartz, 8-E; Eddie Quade and Sherry Fowler, 8-K; Kendall Mc-

### Chicago Alderman Charges Watson Withdrawal from Race 'Bought' by Wyman

CHICAGO (AP) — Two of the nine candidates for the GOP senatorial nomination commented today on Sen. Joseph R. McCarthy's role in the Republican Party.

Julius Klein said the Wisconsin Republican "ought to be satisfied" with the selection of Vice President Richard Nixon to reply to an address by Adlai E. Stevenson.

Lar (America First) Daly attacked Sen. Ralph E. Flanders (R-Vt.) for criticizing McCarthy and said McCarthy represents "75 per cent of true Republicans."

In other campaign activity, Alderman Herbert F. Geisler of Chicago's 34th Ward charged that one of his rivals, Austin L. Wyman, "bought out" a 10th candidate who withdrew from the race two weeks ago.

Geisler said, "Republican voters received with consternation news of another aspirant, Wyman, that he had bought out lock, stock and barrel, with a helicopter thrown in, the support of one of his rivals in the field, Deneen Watson."

The reference to a helicopter was to the airplane Watson planned to use in his own campaign, but which he put at Wyman's disposal when he withdrew.

Wyman, in a statement apparently issued without knowledge of Geisler's charge, said that he supports President Eisenhower's "overall" program, "and I do not have my fingers crossed."

Both Wyman and Geisler identify themselves as "Eisenhower Republicans."

Joseph T. Meek in a speech at Galesburg continued his attack on Sen. Paul Douglas, who is running unopposed for the Democratic nomination to return to the Senate. Meek described Douglas as "Joseph and his coat of many colors."

The reference, Meek said, was to Douglas' stand both for economy and for spending.

"While Senator Douglas for the past six years has been screaming on high for economy, the party he speaks for piled up well over 30 billion dollars worth of Army equipment which today lays rotting away in Army warehouses," Meek said.

Park Livingston said at Chicago that more Republicans must be sent to Congress to push through the tax relief program. He said GOP tax proposals would "give the little taxpayer a break." He listed the wage earner, the farmer and the small business man as those who would benefit.

Edgar M. Elbert, addressing a Boy Scout group at suburban Maywood, charged that the New Deal administration betrayed American youth by committing every "conceivable blunder to keep us in crisis after crisis."

Edward A. Hayes announced that committee members of Chicago's 32nd and 44th wards have endorsed him, bringing the total of precinct captains who favor him in Cook County to 822.

John B. Crane said that Rep. Katherine St. George (R-N. Y.) has praised his candidacy for the nomination. Crane said that Karl Baarslag, former research specialist on communism with the American Legion, has said that Crane supports "100 per cent the efforts of congressional committees to clean out the Commies from all key spots in government."

**Report on Home Service**

It was announced at the meeting that a dinner meeting will be held March 25 at the Motel Marion, at which time Dr. John A. Rogers, executive director of the State of Illinois Division, Wallace Tudor, State campaign chairman, and Robert Krit, campaign manager, will speak to the volunteer workers from the surrounding counties.

The report of the Home Service chairman stated that 1123 bandages had been used by eight cancer victims in Saline county since Dec. 1, 1953. Bandages are available at all times at the Home Bureau office in Harrisburg, where a Loan Closet is maintained which also supplies bed pans, urinals, rubber sheeting, and drinking tubes to cancer victims. It was announced that transportation for diagnosis and treatment of a cancer victim will be paid by the local chapter to the nearest cancer clinic.

Mrs. Harry O. Channon, representative from the district office in Herrin, was present at the meeting and discussed with the group the importance of the Public Education program, which is carried on by the American Cancer Society of Illinois. Any club desiring movies to be shown, or a planned program on cancer education, is asked to contact Mrs. John Humm, chairman.

Donald and Susan Peak, 8-D; Bob school Student Council for the second semester of the school year were installed at ceremonies at the school Tuesday afternoon.

The ceremony included assembly singing, processional, singing of the "Star Spangled Banner" and pledge of allegiance to the flag, led by Karen Skaggs, Girl Scout and Mike Woolcott, Boy Scout.

Curtis Small, editor of The Daily Register and president of the City school board, gave the principal address, speaking on the duties of students and adults in civic service. He was introduced by Stobert Abney, teacher.

### Believes His Basic Program Is Endangered

**President Says He Agrees with Speech Criticizing McCarthy**

WASHINGTON (AP) — President Eisenhower today deplored internal Republican party warfare as endangering the basic program of his administration.

He said he agreed substantially with the speech Tuesday by Sen. Ralph Flanders (R-Vt.).

Mr. Eisenhower emphasized that he did not necessarily underwrite every word of the speech—which was highly critical of Sen. Joseph R. McCarthy—but he said he thought Flanders performed a public service in calling attention to the grave error of attempting to split the Republican party.

Other news conference highlights generally involving the controversy over the junior senator from Wisconsin:

1. The President dismissed as nonsense the assertion by Adlai E. Stevenson that the Republican party is now one-half McCarthy, one-half Eisenhower.

**Thinks Networks Fair**

2. He thought the radio and television networks had discharged their responsibility of fairness in giving Vice President Richard M. Nixon time in which to reply to Stevenson. McCarthy has demanded time for himself, personally.

3. The President said he saw no need for any other GOP speaker on a national basis to reply to Stevenson. Mr. Eisenhower expressed great confidence in Nixon's ability to state the facts for the American public.

Asked how he felt about Flanders' speech in the Senate, Mr. Eisenhower said he had thought about it on the way to the news conference and agreed first with the senator that the Republican party is now the party of responsibility.

**Public Service**

He said the Vermont senator performed a public service in pointing up the danger of internal warfare and the magnification of questions of procedure and personal aggrandizement to the point of endangering the administration's program.

He added that when the senator called attention to the grave error of splitting the party, he considered this a good service.

As for the controversy over whether the networks had done a fair thing in giving the Republican party time to answer Stevenson with Nixon's speech, the President said it was not his role to make decisions for the Federal Communications Commission or the networks.

But, he added, he thought the networks had discharged their responsibility.

### Outdoor Easter Sunrise Service Planned Here

An outdoor Easter Sunrise Service to be held at 6 a. m. Easter Sunday, which is April 18, will be held at the Harrisburg Drive-in theatre under the auspices of the Harrisburg Ministerial association.

The Ministerial association planned the service in co-operation with the Harrisburg Kiwanis club, which suggested to the association a community-wide outdoor service. Other civic clubs are co-operating in the venture.

Speaker will be Senior Major Milton S. Agnew, territorial Young People's secretary of the Salvation Army for 11 midwestern states, an outstanding member of the organization.

A gigantic choir under the direction of John Schork, vocal music director at Harrisburg Township high school, will sing. All church choirs and others who desire to sing are invited. Those outside of regular choirs should contact Mr. Schork or Ronnie Doerge and they will be assigned to choirs for rehearsal. The choir will rehearse the numbers to be sung and then will meet for one final mass rehearsal under the direction of Mr. Schork.

The groups sponsoring the event say this service will be a community affair, not just confined to the city of Harrisburg, and that all persons who do not have Easter Sunrise services of their own to attend are most cordially welcome to this event.

They also point out that since the congregation can remain in their automobiles, the entire family can be easily brought to this service. The theatre's speaker system for autos will be hooked up for the occasion.

Following the service the theatre will serve free coffee.

## ★ EDSON IN WASHINGTON ★

### Diplomatic Players Ready For High Stakes at Geneva

By PETER EDSON  
NEA Washington Correspondent

WASHINGTON (NEA) — All Washington interest in foreign affairs now centers on the Far East peace conference scheduled to open at Geneva, Switzerland, April 26. It is a subject that can be dealt with at present only in terms of broadest speculation. It will be something new in international conferences.

At its best, it could produce peace in the Far East, though few observers really expect that.

At its worst, it could be a combination of the long-winded armistice negotiations at Panmunjom and the uncompromising attitude shown by the Communists at the Berlin conference.

Two things the Geneva conference will not be. It will not be a subject for the debating hall at the United Nations in New York. And it will not have the complicating proposals of India to consider.

The neutral nations will be out at Geneva. Russia will attend as a co-belligerent and not as a mere kibitzing neutral.

The fact that the Geneva conference is limited to actual participation in the two active Asian wars gives it only the specific problems of Korea and Indo-China to deal with. The Communists may try to enlarge the conference into a general discussion of relieving tensions all over Asia, but that is not on the agenda.

It will be a big conference, nevertheless. Seventeen allied countries that fought in Korea—if they all choose to attend—plus Viet Nam, Laos and Cambodia will be on the one side. Soviet Russia, Red China, North Korea and Viet Minh will be on the other.

**WILL HO ATTEND?**

In connection with Indo-Chinese Communists, one of the interesting details to observe will be whether Ho Chi Minh, mysterious leader of the Viet Minh rebels, will be brought to Geneva.

Similar speculation on the make-up of the Red Chinese delegation is of interest. Will it be headed by Foreign Minister Chou En-lai, the No. 2 Communist of China? Or will the mission be entrusted to Wang Huang-hua, his aide, who was U. S. Ambassador Arthur H. Dean's principal adversary at Panmunjom?

It is generally expected that U. S. Secretary of State John Foster Dulles will need the American delegation to Geneva. He may not stay for the entire conference if it runs into a talkathon. But there is a North Atlantic Treaty Council meeting scheduled for Paris in mid-April. It will be relatively easy for Secretary Dulles to go from this conference to Geneva.

While Secretary Dulles will be in Caracas, Venezuela, for the first weeks of the Inter-American conference in March, the preliminary planning for the Geneva conference will get under way in Washington.

The strategy which the Communists will use at Geneva is now a matter on which there are only wild guesses.

**FAILED TO SPLIT WEST**

One of the principal Molotov objectives at Berlin was to divide the western allies. Particularly, he tried to split off France from the NATO and EDC alliances. He failed in this with French Foreign Minister Georges Bidault. But what the position of the French government will be on these alliances by the end of April, and who her foreign minister will be, are merely two more of the uncertain foundations on which the Geneva conference will be built.

The western allies will have their first chance to try splitting the Communist bloc at this conference. While most China experts believe this is absolutely impossible, a few think it might be done. Among them is believed to be Ambassador Dean, though what his role will be at Geneva—if any—has not been determined.

Red China is known to have wanted the Korean war ended. Red China also wants more trade with the west. That is a bait to offer. What concessions Red China would be willing to make to get this bait is the question. Abandonment of North Korea has been suggested. It is a bargaining point, but for the Red Chinese would be expected to ask recognition, and admission to the U.N.

Secretary Dulles has emphatically ruled out any such deal in his reports to Congress and his radio talk to the nation. But this whole subject is indicative of the high stakes for which the diplomatic game will be played at the Geneva conference.

## AEC to Build Five Atomic Reactor Plants

WASHINGTON (AP) — The Atomic Energy Commission is mounting a broad-front scientific assault on the problem of cutting the cost of atomic power for peace-time use.

A new research program under which the commission will build five experimental atomic reactors over the next five years was announced by Dr. Henry D. Smyth, scientist member of the commission, in a speech Tuesday night before the American Institute of Chemical Engineers.

He pointed out that scientists already know how to produce electric power from atomic furnaces. It is being done in several existing reactors, including the engine for the recently launched atomic submarine Nautilus. But Smyth said power thus produced now costs about 10 times as much per kilowatt as conventional electric power from coal or oil-burning steam plants.

"The question that has not been answered is whether this (atomic) power can be produced cheaply enough to be of general use," Smyth said. "The Atomic Energy Commission believes it can be done."

Smyth did not put a price tag on the five experimental reactors the commission plans to build in the next five years. He said, however, that the power experiments would be in addition to the commission's continuing research on atomic engines for submarines and airplanes.

## Eisenhower to Explain Tax Policy

WASHINGTON (AP) — President Eisenhower will make a radio and television speech next week to explain the administration's tax program to the people.

An exact date has not yet been set.

Mr. Eisenhower told a news conference he wants to explain the administration's tax program as informally and simply as he can to the people and to explain its underlying philosophy.

He said the tax talk will be non-partisan.

The President previously has expressed opposition to the Republican-sponsored excise tax cut and to other tax reductions at this time which would be in addition to those in the administration's revision program.

He said he will discuss his tax program in relation to the administration's overall legislative program.

### Hoover Says Pressure Groups Should Take Holiday

WASHINGTON (U)—Former President Herbert Hoover said today that if some 200 "pressure groups" would take a two-year holiday from opposing government spending reductions the government could possibly save from five billion to seven billion dollars a year.

Mr. Hoover, chairman of the second commission on the reorganization of the executive branch of the government, did not name the groups in an address sprinkled with good humor at a National Press club lunch.

The 79-year-old former chief executive said that from discussion with his commission's officials and task force leaders seeking to reduce waste and spending in government agencies he is convinced that "if we could secure all our desires from the Congress, we could save five to seven billion dollars per year without injury to the necessary functions of government."

### Mr. and Mrs. Elvis Potter To Celebrate 50th Anniversary

Mr. and Mrs. Elvis Potter, Junction RFD 2, are planning to celebrate their Golden Wedding anniversary Sunday, March 14, with open house at their home from 2 p. m. to 4 p. m.

Mr. and Mrs. Potter, the former Elizabeth Patton, were married March 13, 1904, at the home of her parents, Mr. and Mrs. James A. Patton, in Kedron.

They have six children, Mark Potter, Muskegon, Mich., Mrs. Helen Leavell, East Alton, Rev. James

Potter, East Alton, Mrs. Frances Reeves, Dixon, Mrs. Opal Martin, Junction, and Rev. Clifford Potter of Harrisburg. They were also guardians for three other children, Myrl Potter, Mt. Vernon, Everett Potter, Galatia, and Willford Potter, Georgia.

They extend an invitation to their friends to attend.

Earl Suver, 124 West Park, who underwent surgery at Barnes hospital in St. Louis, Mo., Saturday, is recovering nicely. His room number is 6215.

### V. F. W. Auxiliary Has Election of Officers

The V. F. W. Auxiliary held its election of officers for the ensuing year Monday evening, March 8, with the president, Mrs. Carl Potts, presiding at the business meeting.

Mrs. Earl Hancock was elected president for the coming year, and other officers elected were Mrs. William Farley, senior vice president; Mrs. Everett Wolfe, junior

vice president; Mrs. Hollie Stout, treasurer; Mrs. Roscoe Cook, conductress; Mrs. Jeanet Hall, guard; Mrs. Elizabeth Noakes, chaplain; Mrs. Olive Blackman, three year trustee.

Delegates named were Mrs. Leo Jones, Mrs. Hollie Stout and Mrs. Everett Wolfe with Mrs. Richard Ashe, Mrs. Carl Potts and Mrs. John Wagner as alternates.

### Scout Leadership Training Course To Begin March 19

A Boy Scout Leadership Training course for the Sahara district will be given in Harrisburg starting March 19 and will continue each Friday night for six weeks. The course will be held at the Sahara district headquarters, 125 horsepower, and others who would like to do Boy Scout work are invited to attend it.

The course will be given each Friday night at the Harrisburg Elks home. There will be two-hour sessions on these evenings from 7:30 to 9:30, one a week. The course will include a hike and overnight camping trip at the end of the course.

At least 20 persons from the Sahara district, which includes Saline and Gallatin counties, are now lined up for the course and others desiring to take it can contact Ronnie Doerge at Ronnie's studio. This is the first time the course, which gives the leader all the training he needs to do his job, have been offered in the Sahara district.

### Urges Nixon to Answer Defense Policy Questions

WASHINGTON (AP)—Rep. Olin E. Teague (D-Tex.) urged Vice President Richard M. Nixon today to answer questions raised by Adlai E. Stevenson about the administration's massive retaliation defense policy.

"The American people deserve an answer and not an elusive political reply," Teague said in a letter to Nixon.

Nixon, chosen by the Republican National committee to use free radio and television time to reply to Stevenson's speech to Democratic leaders in Miami last Saturday, touched on the new defense policy Tuesday night.

In a keynote speech at the eighth annual Philadelphia Bulletin Forum, Nixon said the new U. S. policy of avoiding "little wars" by relying on massive retaliatory strength to use against an aggressor at a point of its own choosing has "substantially reduced the danger of further armed aggression in Asia."

Stevenson questioned whether the massive retaliation policy against an aggressor means the nation has narrowed its choice in the event of a new aggression.

Teague put his letter to Nixon in the Congressional Record. He said Stevenson's defense questions "involve the very safety and security" of the nation. The 1952 Democratic presidential candidate asked among other things how the massive retaliation policy will be applied where there is less than a clear case of overt aggression.

Singing Association Holds Convention At Eldorado Church

The Saline County Singing Association held its regular convention at the Church of God in Eldorado Sunday, March 7.

Officers are Earl Hicks, president; Thomas Grant, vice president; and Raymond Allen, secretary and treasurer.

The program was as follows: Prayer by the pastor, Rev. H. G. Mushegan, followed by a congregational song led by Verner Joyner, a Junior Y. P. E. quartette; two songs by a trio from Harco; duet by Rev. and Mrs. Mushegan; two numbers by the Knight family of Harrisburg; solo by Rev. Patrick; piano solo by Little Martha Matthews; solo by Norma Guins; solo by Rev. Thurman Utley; solo by Norma Jean Gonsky; duet by Mr. and Mrs. K. Church; and a duet by Bonnie and Donnie Billman.

A closing congregational song was led by Earl Hicks.

The next meeting will be held at the Sloan Street Baptist church the first Sunday in April.

### Benny Waves Daughter Off For Honeymoon

HOLLYWOOD (AP)—Jack Benny waved his adopted daughter, Joan, off on a Honolulu honeymoon with New York stockbroker Seth Baker today after giving her away in the most elegant Hollywood wedding in years.

Fellow comedian Bob Hope joked that the 19-year-old bride was the first thing Benny ever gave away.

Six hundred guests jammed the ceremony and 1,000 fans crowded outside the Beverly Hills Hotel. Benny, himself, had trouble getting in.

The 19-year-old bride was scheduled to go to Hawaii with Baker, 26, for a two-week stay.

Benny, the "miser" of radio and television, put out \$50,000 for the 10-minute marriage ceremony and six-hour champagne reception in the Crystal Room of the hotel for stars, socialites and 75 New York guests of the bridegroom.

Only daughter

"It'll take me two years to pay for this, but it's worth it," grinned the nervous father of the bride. "But after all, she's our only child. I'm just glad I don't have five daughters like Eddie Cantor."

Barbara Stanwyck, Jimmy Stewart, Jane Wyman, Claudette Colbert, Bob Hope, Eddie Cantor, Alan Ladd and Van Johnson, were among the scores of famous guests in black tie and evening gown.

Benny described the wedding as "simple and old fashioned."

Designer Loper said the party was "like Long Island society, not a Hollywood type affair at all."

The guests surged around buffet tables laden with 30 pounds of caviar, 25 cases of champagne, beef straganooff, squab and other delicacies.

It was the first marriage for the bride. Baker, son of New York industrialist Harry Baker, was divorced from his first wife a year ago.

Dragnet Star Ordered To Court on Failure to Pay Property Settlement

HOLLYWOOD (AP)—Jack Webb, star of the television show "Dragnet," was ordered today to show cause why he should not be held in contempt for failure to pay a property settlement to his estranged wife, Julie London.

Miss London, who won an interdictory divorce from Webb last November, served the television star today after giving her away in the most elegant Hollywood wedding in years.

Fellow comedian Bob Hope joked that the 19-year-old bride was the first thing Benny ever gave away.

Tate Discusses Boy Scout Program At Lions' Meeting

Boy Scouting in Southern Illinois—what it has accomplished in the past and plans for the future—were discussed by Don Tate, field executive with the Egyptian Council, at the Harrisburg Lions' club meeting Tuesday.

The Boy Scout program has had its ups-and-downs in the past and one of the principal reasons for the "down" periods was the lack of adequate camping facilities, the speaker stated.

The Boy Scout camp on Little Grass Lake, near Carbondale, will provide camping facilities and mean much to the scouting program, the Lions were told.

The camp is about half completed and completion of the camp is one of the two main objectives of the Egyptian Council in 1954. The other big objective is expanding the leadership program as the lack of untrained adult leaders has hampered the program in years past.

A training course for Scout and Cub leaders will start March 19 and will be conducted at the Harrisburg Elks home. It was announced.

Ken Chapman, Johnston City, was a guest at last night's Lions meeting.

Wife Divorces 'Buzzie' Roosevelt

JUAREZ, Mexico (AP)—Mrs. Robin E. Roosevelt, 25, divorced Curtis "Buzzie" Roosevelt, 23-year-old grandson of the late president, here Tuesday on grounds of incompatibility.

Judge Oscar Martinez granted the decree without asking for details.

Mrs. Roosevelt was present in court. Her husband was represented by a local attorney, who said the parties to the suit already had arranged a property settlement and had agreed that Mrs. Roosevelt should have custody of their 2-year-old daughter.

Roosevelt is the son of Anna Roosevelt Dall Boettiger Halstead by her first husband, Curtis Dall. He has used the name "Roosevelt" since his mother's divorce from her second husband, John Boettiger.

Centralia Man Found Guilty Of Bank Robbery

ST. LOUIS (AP)—A jury in Federal Court needed only five minutes to find two men guilty of the \$19,671 robbery of the Bank of Bourbon, Mo.

The case went to the jury Tuesday.

Found guilty were John L. Heirman, 28, Centralia, Ill., and Robert P. Dickey, 22, St. Louis.

A third member of the gang, Louis W. Johnson, 27, St. Louis, had pleaded guilty to armed hold-up charges.

Federal Judge Ruben M. Hulen set Friday for sentencing the three men. The maximum penalty is 25 years in prison and a fine of \$10,000 each.

The three were arrested Nov. 20, the day after the holdup, by FBI agents at Centralia. Most of the loot was recovered.

Forty per cent of the plants and 96 per cent of the reptiles of the Galapagos Islands are found nowhere else, according to the Encyclopedia Britannica.

Retired Minister Dies at Creel Springs

Rev. James E. Marks, 80, a retired minister, died Tuesday at 4:30 p. m. at his home in Creel Springs. The body is now in care of the Cosby funeral home, and no plans have been made.

He is survived by his wife, Ida, three sons and one daughter.

MEMPHIS, Tenn. (AP)—Mary Bunker, 20, was awarded a divorce from her husband, Albert, "just lost interest" after she gave birth to triplets.

**Half-ton beauty with a two-ton punch**

THIS new '54 GMC light-duty wasn't born just to win beauty contests. Sure, its sleek lines, full-width grille and panoramic windshield are handsomely un-trucklike.

There's the same dashing air about the inside, too. Two-tone color scheme. Harmonizing, supple-leather upholstery. Smart instrument panel, with dials clustered for instant reading.

But mister—take another look!

A burly, brawny brute of an engine—a real truck engine—makes you think of a Miss America who also can bend horseshoes. 125 horsepower says that this beauty can heft a top load with ease and dash.

That's more power than some makers pack into their two-ton models. That's more usable power than in any other 6-cylinder engine in its class!

And its wide, deep box holds at least 8 cubic feet more than the roomy '53 model. That tail gate is grain-tight—and sand-tight.

Finally, it offers Truck Hydra-Matic Drive! that saves you, saves your cash, saves your time.

(Note to the luxury-minded: there's a DE LUXE model at extra cost, with chrome grille and trim, two-tone paint, curved rear corner windows—the works!)

Come in and drive this great GMC. It will do all its own selling!

\*Truck Hydra-Matic Drive standard on some models, optional at extra cost on others.

## In Memoriam

In memory of our husband, father and brother, George Dooley, who passed away one year ago today, March 10, 1953. You have taken your last journey. On a beautiful ship called rest. Away from this world of sorrow. To a land of peace and rest. And when our call to follow comes where you have gone before. We hope to see you waiting. To meet us at heaven's door. Sadly missed by his wife, Minnie, children, brother and sisters. 213-1

I WILL NOT BE RESPONSIBLE for any debts contracted by anyone other than myself on or after this date. J. R. or James R. Hill. 212-3

## In Memoriam

In loving memory of Ted De Witt, who departed this life one year ago today, March 10, 1953. Memories are treasures that no one can steal. Death is a heartache nothing can heal. Some may forget you now that you are gone. But we shall remember, no matter how long. The call was short and the shock severe. To part with one we love so well. God took him home, it was his will. But in our hearts, he liveth still. Sadly missed by Mother and Aunt Lucille. 213-1

## In Memoriam

In loving memory of our dear father, Arland Mitchell, who passed away one year ago today, March 10, 1953.

In our hearts your memory lingers. Sweetly, tender, fond and true. There is not a day, dear Dad, that we do not think of you. Some may think you are forgotten. When they see our faces in smile. But they do not know the sorrow. That the smile hides all the while. We often sit and think of you. Of all the things you'd say or do. And wonder why you had to die. Without a chance to say goodbye. Sadly missed by children, Ruby Meier, Jennell Martin, Margie Siekmann, Gerald and Zoritt Mitchell. 213-1

## Two Men Held for Attempted Abortion On Unmarried Girl, 24, Found Dead

CHICAGO — Two men were ordered booked today on charges of attempted abortion on a 24-year-old unmarried Texas girl who was found dead on a suburban street Tuesday.

An inquest into the death of Ozella Skains, Dallas telephone operator, was continued until March 18 to permit a chemical analysis of her body.

On the recommendation of Asst. State's Atty. Robert Zadek, Oak Park police took John C. Goetschel, 26, and George Malek, 27, to jail in the suburb to be charged with attempted abortion.

At the inquest today, Oak Park Police Lt. Fremont P. Nestor testified that both men told him they knew Miss Skains was pregnant out of wedlock.

He said Goetschel, a chiropractor, told him he prescribed 12 five-grain quinine tablets for her and told her to take two at a time, followed by a hot bath.

Goetschel, Nestor said, also admitted giving Miss Skains chiropractic treatments in an attempt to induce abortion.

Malek likewise told of giving Miss Skains chiropractic treatments on a couch in the Malek apartment Monday night, the evening before she was found dead. Malek said his wife was out bowling at the time.

Mrs. Marie Malek, who identified Miss Skains' body, said the girl spent the day with her Monday and complained of being ill. Several times, she said, Miss Skains was stricken with nausea.

Miss Skains left the Malek house about 11 p. m. Monday, accompanied by Goetschel and Malek. Deputy Coroner Harry Glos said Tuesday that preliminary examination showed Miss Skains died of an air bubble in her blood stream, possible caused by an attempt to induce abortion.

However, Coroner Walter McCarron said Glos' remarks were unauthorized since the autopsy had not been completed.

Goetschel and Malek insisted that Miss Skains was alive when they last saw her Monday night. They said they let her out on a street near her hotel.

**Egypt, Russia Sign Trade Pact**  
CAIRO, Egypt — Egypt and the Soviet Union signed a trade pact today that is expected to boost by 50 per cent the present 28-million-dollar annual trade between the two countries.

The trade pact, drafted to complete a payments agreement signed last August, is on a "most favored nation" basis.

It calls for the exchange of Egyptian cotton, henna, onions and artificial silk for Russian steel, wood, iron products, tractors and chemicals.

He challenged the thesis that national income is dependent upon farm income at a seven to one ratio.

# Kerr Selected Most Valuable; Makovsky Captain

CHAMPAIGN, Ill. (AP) — Red-haired Johnny Kerr, star center on the University of Illinois basketball team, has been selected by his teammates as the most valuable player on the team for the 1953-54 season.

Kerr, who averaged better than 25 points per game for the year, established an all-time Illinois scoring record and finished second to Indiana's Don Schlundt in the Big Ten scoring race.

At a banquet honoring the Illini, Kerr's replacement, second string junior center Ed Makovsky was picked as next season's captain.

Varsity letters were awarded to Bruce Brothers, Quincy; Max

## Kentucky Declines NCAA Berth After Ending Season With Victory Over LSU

NEW YORK (AP) — Despite Kentucky's refusal to accept a tourney berth, the NCAA basketball tournament virtually completed the field for its four big regionalals today, while the National Invitation Tournament filled its semi-final round with seeded teams.

Kentucky produced double-barreled news Tuesday night when it first won the right to represent the Southeastern Conference in the NCAA carnival by whipping Louisiana State—and then declining to accept. State was immediately named as a substitute.

Meanwhile, Cornell qualified for the NCAA by beating Princeton, 46-44, in a special playoff for the Ivy League crown. And the Big Seven race ended in a tie between Kansas and Colorado when Missouri upset Kansas, 76-67, in the season finale—a tie that will be broken at 5 p. m. today by a faithful coin toss in the league commissioner's office.

**Notre Dame, Bradley Win**

NCAA first-round play at three sites saw Toledo and Notre Dame advance to the Iowa City regional, Bradley move into the Stillwater, Okla., regional and Santa Clara gain the Corvallis, Ore., regional.

Top-seeded Duquesne and third-seeded Holy Cross each came through with a victory at New York's Madison Square Garden Tuesday night to gain the semi-final round of the National Invitation Tournament—the first time in the tourney's 17-year history that all four seeded teams have gone this far. Duquesne will clash with fourth-seeded Niagara and Holy Cross with second-seeded Western Kentucky Thursday night.

Duquesne advanced with a 69-63 win over St. Francis of Loretto, Pa., surprisingly close since the Dukes had beaten the Frankies by 30 points in their last meeting. The Frankies' Maurice Stokes was the individual star, keeping his team in the game all the way with 28 points, 16 rebounds, and brilliant all-around play. Holy Cross was hard-pressed for only the first period in trouncing St. Francis of Brooklyn, 93-69, as Togo Palazzi scored 25, but may have incurred an important injury when starter Joe Liebler suffered a "muscle spasm" in his right leg.

**Kentucky Wins, 63-56**

At Nashville, Tenn., Kentucky downed Louisiana State, 63-56, in a meeting of the two clubs that went unbeaten through the Southern Conference season. Center stars Cliff Hagan of Kentucky and Bob Pettit of LSU balanced each other with 17 and 16 points respectively, but Frank Ramsey turned the tide for Kentucky with 30 points, mostly on outside shots.

At Philadelphia, Henry Buncom's hook shot at the final whistle gave Cornell its title-winning victory over Princeton and qualified the Big Red to meet Navy at Philadelphia Friday. At Columbia, Mo., Missouri surprised Kansas, 76-67, to force the Big Seven coin-tossing ceremony as Bob Reiter led the way with 28 points and Norm Stewart added 22.

In the other NCAA play: At Fort Wayne, Ind., Notre Dame led all the way to beat Loyola of the South, 80-70, as Dick Rosenthal set the pace with 31 points and qualified for a "revenge" meeting with Indiana at Iowa City Friday; Penn State rallied to beat Toledo, 62-50, although Toledo's Phil Martin took scoring honors with 26 points.

**NAIA Completes First Round**

At Peoria, Ill.: Bradley finally took charge in the fourth quarter to beat Oklahoma City, 61-55, although City's Arnold Short outscored Bradley's Bob Carney, 29-27. The Braves will meet the Big Seven champion in the Stillwater regional Friday, with the other game at that site matching Rice and Oklahoma A & M.

At Corvallis, Ore.: Santa Clara rallied from a one-point halftime deficit to beat Texas Tech, 73-64, qualifying to meet Colorado A & M in the Corvallis regional on Friday.

The completion of first-round play in the NAIA tournament at Kansas City saw Geneva College of Beaver Falls, Pa., surprise by eliminating former champion Indiana State, 88-82. Other wins were notched by Lawrence Tech, Southeastern Louisiana, Southeastern Oklahoma, Pasadena Nazarene, St. Benedict's, St. Ambrose and Arkansas City. Second-round play is scheduled tonight.

## American League Holds 12-4 Edge Over National

**By United Press**

It's the same old story in spring or fall—the American League is beating the stuffing out of its National League rival.

With less than a week of the Grapefruit League season passed, American League teams have piled up an imposing total of 12 victories over their National League foes while suffering only four losses. N. L. President Warren Giles ordered his teams to buckle down last spring when the games followed a similar trend and probably will do so again this spring.

The National League has won the last three all-star games but hasn't had a World Series victory since the St. Louis Cardinals beat the Boston Red Sox in 1946. Grapefruit League games don't count in the standings, of course, but Giles is interested in reversing the annual trend.

The erstwhile St. Louis Browns—now the Baltimore Orioles—have been inflicting the most damage. The Orioles, who probably will be a unanimous selection to finish last again this year, have scored four straight victories over National League opponents—two over the Chicago Cubs and two over the New York Giants.

**Cardinals Win, 10-9**

The Orioles remained unbeaten in citrus play when they scored two runs in the ninth inning Tuesday to beat the Giants, 10-9.

The Cleveland Indians, continuing their tremendous demonstration of power, overwhelmed the Cubs, 17-6.

The Detroit Tigers, scoring the winning run on a ninth-inning triple by rookie Harry Bright, defeated the Philadelphia Phillies, 6-5, for the American League's third victory Tuesday over a National League team. The St. Louis Cardinals gained the N. L.'s only win Tuesday when they beat the Chicago White Sox, 10-9, in a shabby game marred by seven errors.

Solly Hemus, recently on the trade block, sparked the Cardinals with four hits, including a bases-loaded triple in the ninth inning that provided the winning run.

The Phillies were encouraged by a brilliant, one-hit, five-inning performance by lefty Curt Simmons, a 16-game winner in 1953. Simmons figures he'll win 20 if he avoids injury this year and said he was highly encouraged by his initial test under game conditions.

## 'Duster' Thomas To Address Carrier Mills Cage Dinner

"Duster" Thomas, basketball coach at Pinckneyville, will be the featured speaker at the Carrier Mills cage dinner, Thursday, March 25, it was announced today.

Each year the Carrier Mills Lions club sponsors a dinner for the Wildcats and this year's affair will be held at the Masonic temple with members of the Eastern Star serving the meal.

Thomas has one of the finest coaching records in southern Illinois and his club this year has a record of 28 victories in thirty starts and is favored by many to cop top honors in state tourney competition. The Pinckneyville club is entered in the West Frankfort sectional and meets Benton tonight.

### \$100,000 Fire At Effingham

EFFINGHAM, Ill. (AP) — A fire which broke out early today threatened a block of business buildings and caused damages estimated at at least \$100,000 before it was brought under control.

Firemen said the blaze started about 12:45 a. m. in the kitchen of the Courthouse Cafe and the cause was unknown. The cafe was a mass of flames by the time firefighters arrived. The two-story building housing the cafe and a vacant apartment was destroyed and Samuel's Music Store in a neighboring building suffered heavy water damage.

## Mt. Vernon, Metropolis to Begin 'Battle of M's' Here Tonight

The "Battle of the M's" will start in Davenport gymnasium at eight o'clock tonight and will continue through Friday evening.

The event is one of 15 sectional basketball tournaments for Illinois high schools that will be held throughout the state those evenings. And all four schools playing here start with the letter M.

The participants are Mt. Vernon and Metropolis, who will meet tonight, and Mt. Carmel and Mounds Douglass, who battle tomorrow night.

The "Mounts" are the favorites in each game, the Rams over Metropolis and the Aces over Mounds Douglass.

And if the two "Mounts" meet Friday night for the championship it will be hailed as one of the best sectional finals in the state.

## Sectional Play By 30 Teams Opens Tonight

SPRINGFIELD (AP)—Thirty teams launch sectional tournament play at 15 downstate centers tonight to kick off the final drive for berths in Illinois prep basketball's "Sweet Sixteen."

Pinckneyville, Rockford East, Mount Vernon, Barrington and Edwardsville are among the teams due for action in sectional curtain-raisers. Fifteen more games will be played Thursday night.

Winners of the openers tonight and Thursday will collide Friday night for sectional titles—and the coveted trip to Champaign for the state finals March 17-20.

The 60 downstate teams assigned to this week's sectional meets are survivors of a field that numbered 635 squads when the rugged tournament grind opened two weeks ago.

Pinckneyville, ranked as one of the strongest quintets still in the race, is paired against the Benton Rangers at West Frankfort tonight. On its 28-2 showing this year and its rating as No. 2 team in downstate Illinois, Pinckneyville is regarded as a heavy favorite.

**Mt. Vernon Plays Metropolis**

Most other highly ranked teams active tonight also seem to have relatively easy tests. Mount Vernon tackles Metropolis at Harrisburg, Quincy faces darkhorse Griggsville at Jacksonville, Rockford East takes on Freeport at Rockford, and Edwardsville meets Greenville at Wood River.

One of the most attractive games on tonight's card pits Cumberland against Paris, at Olney. Cumberland has lost only two games and Paris but three; each has won 28. They have met twice previously this season, each pocketing one victory.

Another top clash is on tap at Arlington Heights, where the Barrington Broncos tangle with Crystal Lake. Barrington has 25 wins in 26 games, including two victories over Crystal Lake. But they were by close enough margins to hint a battle may be brewing.

Ottawa, bidding for a return trip to Champaign, finds Wenona trying to block the road in the opener at La Salle-Peru. The winner then must get by either Pontiac or Princeton for the sectional laurels.

**Only Two District Teams**

Danville, favored by some to win the Champaign sectional, has an important match against Rantoul, which has managed to defeat 26 of its 29 opponents.

At Peoria, Lexington's Minute Men will try to thwart Peoria Central's bid for another visit to Champaign, where Central finished second to La Grange last spring. After losing six of its first nine games, Lexington finished strong with 16 wins in 20 outings.

Resurgent Springfield, which won only five games before it entered regional tourney play, rates as a definite underdog against powerful Bloomington Trinity at Springfield. The Trinity Saints have disposed of 26 out of 30 foes.

At Sterling, the Kewanee Boiler-makers of the Northwest conference clash with Sterling for a berth in the sectional finals against either Moline or the Fulton Steamers.

Two "unknowns" collide at Macomb—Joy and Bowen. Bowen and Mounds Douglass, assigned to the Harrisburg sectional, are the only teams which fought their way from district tourneys to the sectionals.

Decatur's Big Red rank as a favorite over Vandalia at Vandalia. At Aurora, Harvey should figure to eliminate Aurora East of the Big Eight conference.

## Du Sable, Lake View to Play for Chicago Title

CHICAGO (AP)—August H. Pritzlaff, director of physical education for the Board of Education, will meet with coaches of Lake View and Du Sable today to determine a site and exact time for the playoff for the city championship between the schools.

Tuesday night, Du Sable, defending Chicago Public League champion, beat McKinley 81-75 for the right to meet Lake View, which downed Bowen 64-51.

It was Du Sable's 27th straight win this season. The victory for Lake View was its 13th in a row without a loss in league competition.

The schools will meet Friday for the Public League championship and a berth in the state finals in Champaign March 17 through March 20.

## Sectional Tickets On Sale at Athletic House

The Athletic House in uptown Harrisburg will have general admission tickets to the Harrisburg sectional basketball tournament during the day for the games that evening.

This means that today they will have tickets for the Mt. Vernon-Metropolis game tonight, tomorrow they will have them for the Mt. Carmel-Mounds Douglass game and on Friday for the championship tilt.

### Rams Rate To Win

Mt. Carmel has big Archie Dees, who stands six feet, eight inches tall, and he can score and play the defense. He made 42 points his last time out. The rest of the Mt. Carmel team, coached by Roy Gatewood, is of very ordinary height but some of the boys are sharp shooters from out on the court. Perry is one of these.

But the Rams of Mt. Vernon, with height, poise, shooting ability and lots of defense, rate to win the local meet and go on to the state finals at Champaign next week. They have three big boys in Larry Whitlock, Fred Deichman and Goff Thompson who really know how to play the boards, and a couple of six foot lads in Albert Avant and Don Richards who can really hit from a few feet out.

Mt. Vernon uses a shifting man-to-man defense which on the surface looks more like a zone than a man-to-man and Mt. Carmel sticks pretty well to a zone.

**Officials are Rhodes, McCoskey**

The four teams playing here have won an aggregate of 81 games and lost 23. The Mt. Carmel record is best, 24 wins and three losses, closely followed by Mt. Vernon's 23-3. Next best is the 17-6 of Mounds Douglass, followed by the 17-14 of the young Metropolis team.

Officials assigned by the Illinois High School association to the local tournament are Claude Rhodes of Benton and Jim McCoskey of Morrisboro, both well-known by area fans.

The ticket windows will open at Davenport gym at 6:30 p. m. each evening, an hour and a half before game time. It is expected that there will be general admission tickets available, at least the first two nights.

**West Frankfort Tourney**

Eyes from this area will be looking over toward the West Frankfort regional as well as to the one here because at Frankfort the team rated as having the best chance to cop the state championship will be playing. It is Duster Thomas' Pinckneyville crew, which has won 28 games and lost two this season. The Panthers will play Benton (20-9) in tonight's game.

Tomorrow night Centralia (24-6) will play Marion (19-10) and the winners of the two games will play for the championship Friday evening.

## Adults Must Bear Blame for Rise in Juvenile Crime, Panel of Experts Says

PHILADELPHIA — A panel of experts agreed today that adults must bear the blame for the rise in juvenile crime.

The temptations adults offer through comic books, liquor, narcotics and their own examples drew censure in a Philadelphia Bulletin Forum discussion of "Are We Building Stronger Americans?"

The forum opened Tuesday night on a theme of "Are We Building a Stronger America?" with a keynote speech by Vice President Richard M. Nixon in which he said the Eisenhower administration has turned back the spread of world communism.

Speakers at the session on juvenile problems included Erwin D. Canham, editor of the Christian Science Monitor; Samuel M. Brownell, U. S. commissioner on education; Fredric Wertham, psychiatrist and neurologist; Jeremiah P. Shalloo, chairman of the Philadelphia Crime Commission; and other specialists in the field.

**Optimistic View**

Canham took one of the most optimistic views. He recalled that every great war has been followed by "a period of passion and political violence." He voiced confidence that "we will... regain our poise and balance."

He expressed a belief, however, that the high divorce rate with its effect on the family and children, is "a grave social flaw" and marriage should be "a more sober and consecrated decision."

Comic books, with their lurid descriptions of crime and their advertisement of weapons like switchblade knives, were Wertham's target.

"Impairing the morals of a min-

or used to be a punishable offense," he protested. "Nowadays it has become a mass industry."

The problems of boys and girls have only one cause—adults. If we really want to take their problems seriously, let us not create them in the first place."

### Three Concerns in Education

Shalloo likewise had criticism for parents and some patterns set by adult behavior. He said one of the basic factors behind the problem is giving children an allowance without making them earn it by performing household chores.

Shalloo advocated a jail term of at least one year—not fines—for any adult who furnishes a juvenile with liquor or drugs.

Brownell said the three major concerns in education today are: (1) An alarming shortage of classrooms, (2) an urgent need for teachers, and (3) "a distressing loss of trained manpower through school and college 'drop-outs'."

## General Motors Report Lists \$10 Billion Sales

NEW YORK — General Motors Corp., largest business concern in the world, sold more goods in 1953 than any other company in the history of private enterprise.

The corporation's annual report, made public Tuesday night, listed a total sales record of \$10,028,000,000 and a record tax bill of \$1,327,000,000.

The year's sales represented the equivalent of \$64 worth of goods for every man, woman and child in the United States.

Net income for the year was third highest in the company's history, totalling \$598,119,478, equal to \$6.71 on each share of common stock, or 6 per cent of net sales. It was exceeded only in 1949 and 1950, when there was no excess profits tax. Net income for 1952 was \$558,721,179.

## West Kentucky Coal Co. Signs UMW Contract

The West Kentucky Coal company, with headquarters at Madisonville, for decades the country's largest hold-out against John L. Lewis, is working under a United Mine Workers contract.

The contract was signed Feb. 15, covering 893 miners in three Hopkins county mines. The contract was a company and union affair. No third party had a hand in the deal, and the National Labor Relations Board has no jurisdiction, since the Lewis union was not certified.

The West Kentucky company had for years resisted all efforts at unionization. A company attorney said a few years ago that "no power on earth will ever make West Kentucky sign a union contract."

It is indicated that decision to sign came from a high level in the person of Cyrus Eaton Sr., Cleveland industrialist, who was elected West Kentucky board chairman in May, 1953.

One of the effects of the signing is the change in handling the miners' welfare fund. For years West Kentucky has operated an Employees' Mutual Benefit association, which provided hospitalization and other benefits for the miners.

When the UMW began its welfare fund through a royalty on coal mined, West Kentucky did the same, but administered the fund locally. On the current 40-cent royalty basis, the 1953 royalty amounted to about \$2 million. After hospitalization and welfare bills were paid, the fund prorated the balance in cash direct to the miners, averaging about \$500 each.

Under the UMW contract, all surplus funds stay in the UMW welfare fund treasury.

## No Direct Action In Indochinese War: Eisenhower

WASHINGTON — President Eisenhower said today the United States will not get directly involved in the Indochinese war unless Congress declares war.

Mr. Eisenhower was asked at his weekly news conference what the United States would do if any of the American technicians now in Indochina were captured or killed. The questioning reporter pointed out that some Democratic senators had said there was a danger of this country becoming involved in World War III in this way.

Mr. Eisenhower replied emphatically that there is going to be no involvement of this country in war without Congress exercising its constitutional right and declaring it. That, he added, was the complete answer to the question.

Sen. John C. Stennis (D-Miss.) said in the Senate Tuesday that the United States is daily "coming nearer to a fighting role" in the war between French-Vietnamese forces and Communist troops.
